

# ST HELEN LIFE TEEN

Leading Teens Closer to Christ

We had a beautiful night of Eucharistic Adoration last Sunday at XLT! Music, Confession, inspirational words from Jared Sprogis and of course nothing beats spending face to face time with our Lord! Thanks to all who attended!

This Sunday we have another special guest with us: Fr Eric Garris of the Diocesan Vocation Office. Fr Eric, a graduate of Life Teen himself, will be joining us for Mass as well as our life night. With the feast of St John Paul the Great this Sunday Father plans to speak about JP II's influence on his ministry and the world!
